CLOSING REMARKS / ALL FACULTY Q &A

The FMR program at NYU was truly transformative for me. Having studied at numerous restorative institutes, I know you cannot find this curriculum anywhere. I can now quickly evaluate any patient in my office and determine the appropriate treatment sequence through classification levels unique to NYU FMR. This program gives you the edge you need to communicate confidently with patients and treat complex cases with predictability.

Alfred W. Hollis, DDS
Saratoga Springs, NY

Linhart Continuing Dental Education Program

DR DAVID GALLER KEYNOTE SPEAKER

Dr. David Galler is a high honors graduate from the University of Pennsylvania College of Dentistry and member of the Omicron Kappa Upsilon Dental Honor Society. He then completed a general practice residency at the Brooklyn Veteran's Administration Hospital. Originally from Long Island, he moved back to New York and practiced for 20 years in Downtown Manhattan. After that he moved to Chicago, where he practiced in Skokie, ILL and served as Senior Vice President of Aspen Dental. While at Aspen Dental he helped launch their Invisalign Program. For 2 years he trained, educated and mentored more than 800 Aspen Dental offices. Dr. Galler has proudly transformed thousands of smiles with Invisalign® aligners. In just a few years after completing his Invisalign training, he became one of the country's top providers. As a featured speaker at numerous study clubs, webinars, national and regional events, Dr. Galler has created a strong following of practitioners wanting to learn more about treating patients with aligner therapy. His disciples (called Gallerites) are credited with treating about 20% of the entire North American Invisalign GP Case Starts. Dr. Galler is credited with several key innovations in the Clear Aligner field, including GST (Galler Spacing Technique), Ortho Munchies, and the Galler Engine- Dr. Galler's own proprietary algorithm using the Invisalign Clincheck system.

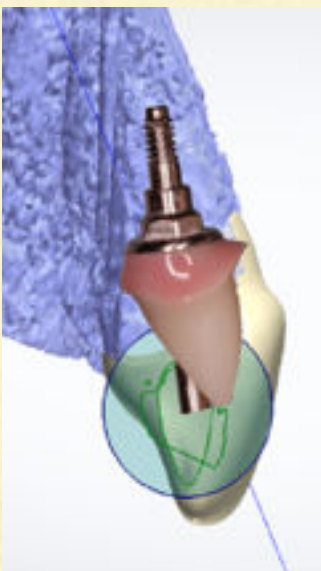

DR MAURICE SALAMA Dr. Salama received his DMD from the University of Pennsylvania School of Dental Medicine, where he later received his dual specialty certification in Orthodontics and Periodontics, as well as implant training at the Branemark Center at Penn. He was awarded the George Coslet and Richard Chase Scholarships at the University of Pennsylvania during his post-doctoral studies. Dr. Salama is currently on the faculties of the University of Pennsylvania and the Medical College of Georgia as Clinical Assistant Professor of Periodontics. Dr. Salama has completed an ADA accredited hospital-based General Practice Residency at Maimonides Medical Center in New York City.
